Curricula Links

This document explains how the Quiz Worx show *God is Great* links to and supports the approved curricula for teaching SRE in NSW and RI in QLD.

About the show

The Quiz Worx show 'God is Great' explores two big reasons why the God of the Bible is so great; because he made everything, and he loves people.

This is incredible news! The God of the Bible made the universe and everything in it and his love is greater than people could ever imagine. He loves people so much that he sent Jesus to rescue them. God is worth trusting!

The show highlights this immensely Good News and uses music, puppets, a magnetic story board and a fun re-telling of the parable of the lost sheep from Luke 15, called 'Molly and the Good Shepherd', to help children marvel at God's greatness.
