Show Blurb

How often do things around us feel out of control? People get sick, families split up, there are wars, out of control weather and sometimes even out of control hair! Being in control or even better, knowing that someone we trust and someone who loves us is in control is something we all want. And there is hope! In our brand new Easter Live show, *Jesus is in control*, the Quiz Worx team share from the Bible that Christians believe and trust that even when life is messy and things seem out of control... Jesus is IN CONTROL! And Jesus, who is in control, also loves us. So this can give us comfort and hope.

We draw from the whole Book of John.
